## **Continuation Sheet (PTO-303)**

Application No. 10/046,191

Continuation of 3. NOTE: In view of applicant's substantial additions to the limitations in independent claims 1, 15, and 16, further consideration of the proposed claims in the context of the relevant portions of the supporting specification would be required to fairly determine whether the new limitations are proper under 35 U.S.C. 112, first paragraph (enablement and written description, as discussed during the 08/10/2006 Interview), and whether the proposed claims appropriately and fully address the issues under 35 U.S.C. 101. Upon nominal consideration, it appears that applicant's proposed amendment would overcome the rejection of record under 35 U.S.C. 112, second paragraph, if submitted as part of an enterable amendment.
